

Flexible PVC-P Standard Series Injection

MITSUBISHI CHEMICAL PERFORMANCE POLYMERS PVC compound range incorporates a wide range of PVC-P and PVC-U. PVC-P range includes 2 trade names, SUNPRENE™ and VINIKA™

- SUNPRENE™ formulations offer high mechanical properties, which are specifically designed for very demanding applications such as speciality cable insulation and window seals.
- VINIKA™ rigid and flexible formulations provide a customized combination of properties such as ageing, impact, gloss and colour for a wide variety of applications.

		INJECTION		
		Transparent	Opaque	NBR
Series	STANDARD			
	Shade	VE 262 Transparent	VE 282 All colours	VE 290 Dark colours Cost effective
Series	PHTHALATE FREE			
	Shade	VE 300 Transparent	VE 320 All colours	VE 315 Dark colours
Hardness	55 Shore A to 40 Shore D	50 Shore A to 40 Shore D		50 ShA <>80 ShA
	HIGH PERFORMANCE TYPES ON REQUEST			

Depending on the end application, formulations comply with the main international standards and have been certified by independent approval organisations such as CSTB, LNE, SKZ, BSI, LCIE, LRCCP, etc.

We undertake research specifically focused upon environmental protection, paying particular attention to develop products in accordance with the RoHS directive, the REACH regulation.

ABOUT US

The Mitsubishi Chemical Performance Polymers business (MCP) is one of the top growing businesses at Mitsubishi Chemical Group. MCP delivers innovative solutions based on our chemistry technology platforms, with expertise in polymer design, and thermoplastic compounding, to offer tailor made solutions.

CUSTOMER ORIENTED

Our commitment is to be your global specialty partner by developing and delivering solutions which satisfy a variety of needs.

GLOBAL

Worldwide, we deliver high quality, thermoplastic resins for automotive applications. These applications include safety parts, seals, under the hood, interior and exterior components. As a reliable partner, we also provide global thermoplastic solutions for consumer goods, packaging, medical, building industries, wire and cable, and other industrial applications.
