MCPP Clerval SAS

MCPP France SAS

MCPP Netherlands B.V.

MCPP Poland Sp. z o.o.

Dear Business Partners,

Mitsubishi Chemical Corporation's driver is 'Good Chemistry for Tomorrow'. By assembling a variety of good chemistry, we believe it will lead to the sustainable development of people, society and our planet Earth, which is the basis for realizing our philosophy named Kaiteki.

This philosophy, amongst other things, request us to commit customer confidence and quality assurance.

Therefore, the Polymers Business Unit of Mitsubishi Chemical Europe is deploying Kaiteki values as well as ISO9001:2015 while implementing key IATF 16949:2016 requirements.

All entities of the Polymers Business Unit of Mitsubishi Chemical Europe are successfully certified according ISO9001:2015. Management board and all employees are engaged in our quality policy.

At Mitsubishi Chemical Europe BU Polymers, we are proud on providing 100% every day to ensure that our customer's needs are being met.

Best regards,

Pierre Schwedler
Head of Quality Europe BU Polymers
